

A message from Ben,

As we reach the end of a short but wonderfully busy spring term, I wanted to take a moment to reflect on all that our school community has achieved together.

First and foremost, I am incredibly proud of our pupils. Their hard work, resilience, and enthusiasm this term have been a joy to witness, and I know you share in that pride as much as we do.

A heartfelt thank you to all the families and guardians who joined us for our Easter event. Your presence means so much to our children and to the whole school community — it truly makes these occasions special.

I am also delighted to share some very exciting news about our school environment. Our new build is on track for completion before the Easter holidays — a fantastic milestone that we have all been looking forward to (for a really long time!). Also, over the break, new outdoor play equipment will be installed on our Top Field, ready for pupils to enjoy when they return. What a wonderful start to the summer term that will be!

For families using our Easter Playscheme, we look forward to welcoming your children into school over the Easter break. A huge thank you to the dedicated staff who are giving up part of their own break to run it — your commitment to our children is truly appreciated.

Looking ahead, the summer term promises to be a memorable one. We have so much to look forward to — warmer weather (fingers crossed!), the Year 6 residential, Kids Out at Wickstead Park, and a range of transition events as we prepare for the exciting changes ahead.

On behalf of all the staff here, I wish you and your families a very happy, restful, and joyful Easter break. We look forward to welcoming everyone back, refreshed and ready for a brilliant summer term on Monday, 13th April.

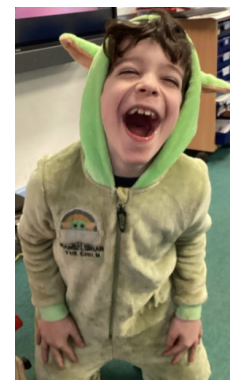

Warm wishes,

Ben Campbell-Kemp

Events in School this term

World Book Day

We celebrated World Book day across the school. It was wonderful to see the creativity and joy across school. The costumes were fantastic - from classic storybook characters to some very inventive interpretations. World Book Day is ultimately about celebrating stories, imagination and a love of reading.

Wicksteed Park

Wolves class have been visiting Wicksteed Park once a week this term. The children walked confidently to the park looking carefully for cars and listening for traffic when crossing the road.

At the park they followed the instructions beautifully. This has been a great learning opportunity about listening, road safety, reading signs, caring for animals and making better choices for the environment, whilst having fun!

Chinese New Year

Earlier in the term we celebrated the Chinese New Year. Some classes immersed themselves in red, whilst others learnt about Chinese traditions. The children across the school all tried some Chinese foods which they enjoyed!

Easter Music Event

We had a hopping good time at our special Pupil Premium Easter Music session! Joe, our brilliant music teacher, led the children through a festive retelling of 'We're Going on an Egg Hunt.' We also had a rabbit-themed Hokey Cokey where we had to put tails, whiskers, bunny ears, noses and bodies in and out, lots of times! It was a joy to see everyone having so much fun.

Thank you

We would like to say a massive thank you to our amazing parents, carers and families at Random Acts of Kindness Northamptonshire, who have raised funds to buy our school £500 worth of resources. We are extremely grateful for everyone's generosity.

Purposeful Reflective Genuine Aspirational Joyous

Family Support Team

Although this has been a short term it has also been a busy one for the Family Support Team. We started off the term with the parent well-being session which was very successful with parents enjoying some well-deserved peace and quiet whilst having a cuppa and creating some brilliant watercolour pictures, pom-poms and other masterpieces.

A group of enthusiastic parent signers completed their two evenings of signalong training and were awarded a certificate for completing this whilst their children enjoyed fun activities in the creche.

The Easter Stay and Play was the next family event with lots of families returning to school to enjoy Easter crafts and sensory play. There were also lots of face painted bunnies hopping all over the hall.

The school's sensory OT, Claire also completed another workshop, to support any parents who are having difficulties with their children's sensory/behavioural needs.

We are rounding off the term organising the six days of Playscheme provision for over the Easter holidays.

Look out on Dojo for more dates for activities next term.

Ali, Sarah and Dani

Dates for your diary

Monday 13th April 2026	School reopens to pupils
Monday 4th May 2026	School Closed for Bank Holiday
Monday 18th May– 22nd May 2026	Year 6 Residential
Friday 22nd May 2026	Last Day of Term

Reminders

- Priority Now Targets (PNT's) are set for each pupil, three times a year (at the beginning of each big term). PNT's are individual targets that your child is working on alongside their curriculum outcomes and other programmes. If you would like to know what your child's PNT's are, please ask the class teacher to share these with you.
- We are working hard to keep up our attendance and punctuality. The Whole School Attendance is 90.6%. If your child is absent from school on any occasion, you must ring or message the Reception Office before 9:30 a.m. daily for the period of absence.
- Lunch options are now available to order via Love Food ready for next term.
